OPTIONAL QUESTIONS

What do you hope to learn in this course?

Do you have career plans?

Is there anything you'd like me to know about you, about your personal situation and how you're coping with college life? Anything you put here will be strictly confidential.
I ask this because I'd like to help you be successful in your life and goals.
You can leave this blank if you prefer. There is no judgment.

Syllabus Acknowledgment

I have reviewed and understand the course syllabus and its policies on attendance, classroom behavior, assignment deadlines and grading.
I understand that my failure to follow any of these policies will affect my final grade in this course.
